INVITATION TO VISIT KENYA

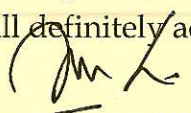

On behalf of Kabete National Polytechnic, I'm pleased to extend an invitation to you to visit Kenya from August 29 to September 2, 2023. As far as we know, Dalian Vocational and Technical College is the board member of China Education Association for International Exchange (CEAIE), and also the partner of AVIC-INTL Project Engineering Company. We invite you to participate in a series of vocational education cooperation and negotiation activities jointly organized by Kabete National Polytechnic, China Education Association for International Exchange (CEAIE) and AVIC-INTL Project Engineering Company including educational official exchanges between China and Kenyan, observation of the African Vocational Skills Competition, participation in multilateral international forums on vocational education, and negotiation of Sino-African vocational education cooperation projects. We believe that your visit will produce foreseeable results in the vocational education cooperation between both parties.
